The Venues

Founded by Colin and Yvonne in 2016, **Manning Valley Succulent Garden** grew from a backyard passion to a community based local nursery, and further to a garden products supplier servicing retail and wholesale customers cross Australia.

From these modest beginnings, **Saxby's Soft Drinks** is now in its fifth generation and George Saxby's delicious range of soft drinks, from a wide range of flavours to his original Stone Ginger Beer recipe, are now enjoyed Australia wide.

Located in a lovely historical building, **Taree Craft Cottage** displays and sells a diverse range of quality items handcrafted by their talented members. This is the ideal place to shop for that perfect gift for any occasion.

Mentges Master Meats is a unique continental smallgoods shop. For over 700 years, this German family of artisan butchers has been handing down their traditions, and their methods remain unchanged.
