DAY 1 (LD): PORT MACQUARIE TO YAMBA

Wednesday 30 October 2024

Welcome to our four-day tour to **Grafton for the Jacaranda Festival**. As early as 1866, the Grafton Council resolved to consider by laws for planting and preserving of trees and shrubs in the streets and recreation grounds. There are now some 7000 trees in Grafton and many beautiful parks. The most famous of trees is of course the Jacaranda. We travel through to **Coffs Harbour** where we head to the **Clog Barn** for morning tea. Here we can experience the colour and charm of Holland, as we witness a clog making demonstration and see the miniature Dutch

village. We travel to **Bruxner Park** driving up through banana plantations and avocado groves to the **Forest Sky Pier**. The Forest Sky Pier is located on an escarpment 310 metres above Coffs Harbour offering views out to the coast; on a clear day you can see 100km to the south! From here we head north of Coffs Harbour to the coastal town of **Woolgoolga** where we have lunch at the local services club, then visit the **Sikh Heritage Museum**, located within the **Guru Nanak Sikh Temple**. The temple was built by the town's Sikh residents whose ancestors travelled to the North Coast around the time of Australian Federation.

We have free time to explore the town before our lunch close by at the **Hardwood Hotel**. Returning to Yamba we are joined by a **local expert** before visiting the **Award-Winning Yamba Museum** to uncover the town's rich and diverse history. Wander through the school rooms display depicting the historical record of public education and access the 'Old Kirk', the adjoining church and view the current exhibition. Day 4 (B) YAMBA TO HOME

Saturday 02 November 2024

With our bags packed full of wonderful memories we finalise our checkout procedures and return to Grafton, to visit **Lanbruk's Gunyah** – a property belonging to Dorothy and Don Enders. They will take us on a **tour** through the Olive Grove, show us the animals (alpacas and Dorper sheep to name a couple) in the paddocks and serve a delicious homemade **morning tea**. We can browse through the gift shop to admire local handicrafts and, of course, pick up a supply of the organic olive oils produced here. There is even a museum housing the fully restored and still running, 1926 Chevy Utility. We have some time to enjoy some more of the festival before making our way to home. Arriving mid-afternoon after many wonderful memories travelling with friends.
