PORT BUS

charters, tours & rentals

Welcome to 2025! We have an action packed year for everyone. Just take a look at the range of day tours, overnights & extended Tours.

One of our biggest challenges in 2024 were venues (predominantly accommodation) requesting upfront deposits and introducing complicated attrition conditions, which are just not feasible for Port Bus and our passengers.

What does this mean for 2025?

90 days prior: venues will be checking on how our passenger numbers are looking.

60 days prior: a preliminary room list is required.

45 days prior: an update on passenger numbers & the release of any unbooked rooms.

30 days prior: Final room list and payment in full is required with no further changes.

Please don't leave it to the last minute to book, as you can see with the above the cut offs are a long way before the tours commence.
